Iain Macfadyen Memorial Gala — 7 October

Iain Macfadyen was the Founding President of Inverleith Amateur Swimming Club and the Lothian Swimming Committee Instituted this Gala as a Memorial to Iain as he had been a long term supporter of the Lothian Swim Group. Iain was also one of the first Automatic Officiating Equipment Operators in Scotland..

Apart from being the Founding President he was also President on two other occasions, the last one being in 1991 when he died whilst holding office. Iain had also served a 2 year term as East District President. Iain's widow, two of his daughters and one of his granddaughters were in attendance at the gala.

Now that I have given a short history of Iain, I hope that members will now understand Iain's connection with Inverleith and I hope that next year we will have a larger entry and maybe win the Trophy which is provided for this event.

Peter Allan, President

Haddington Gala—20 October

Well done to the ten swimmers who took part in the gala at Haddington on Friday 20th October. This was a low key gala between Intermediate Squad and one of the Haddington Squads. We swam a variety of 50m and 100m events with some counting for points and others used as a time trial. We managed 15 PB's which was excellent as some swimmers did quite a few events.

This was the first competition for a few of the swimmers and they did very well. The 8 x 50m relay was fantastic with the lead swapping over several times before Haddington finally hit the wall first. There was a heck of a lot of noise considering how few people were there, Emma McGachie was the loudest!!

Final score : Haddington 33 Inverleith 27 - They had more swimmers than us!

Many thanks to parents and Peter for officiating/timekeeping and well done everyone who got there on such a lousy night, we could have held the gala outside!!
